DATE FOR AUGUST YAKIMA SHOW SET:

As you can see by the flyer our Yakima show is Sunday August 8th This is a change from August 1st. Hope to see many of you there. We should have about 75 tables again this year. We are planning to have a pot-luck picnic at a nice park on Saturday evening for all sellers and friends. You will learn more about this fun event after you purchase your table(s).

IT IS PORTLAND IN THE FALL:

Don't forget the Portland, Oregon Fall Camera Swap Meet and Show to be held for TWO days..September 11th and 12th at Portland's Expo Center. This will be your last Bellows before the show so don't forget to either get your tables or go south to buy. If you have any questions (like the size of their \$50.00 tables) call: Pro Photo Supply 1-503-241-1112 or 1-800-835-3314. This should be an interesting show. They have enough room to sell all the tables anyone would want (60,000 Sq. feet) so it could be a very large show in terms of tables sold. Also, doing a two day show has been the dream of many Northwest sellers for years. Now we will have a chance to see how well a two day show works. PSPCS wishes them all the best!

WANT SOME BED TIME READING?

Our Vice-President, Jim Vilett, called to say that he can get the book; Collectors Guide To Japanese Cameras for only \$125.00 per copy. If you would like several to give as gifts, or just one for yourself, see Jim at our meeting or call him at 1-206-784-0983.

ITS SUMMER TIME AND THE LIVING IS EASY:

At least for The Bellows editor who will not send you anything until September. There are no meetings in July or August but try to make it to Yakima..its a blast. By the way, Sivertsen & Associates two day sale last weekend was fine for all except the Ed. who did not sell anything...I have got to get a better quality of junk! Have a good summer..see you in the fall!!

PRESIDENT: DAVE STUDEBAKER, (206)-582-4878

****BACKSIDE INFORMATION****

PSPCS REGULAR MEETING MAY 20, 1993

Attendance: 55 members and 7 guests.

Unfinished Business:

Shirley reported that dues are still coming in from delinquent members. Also, three new members joined as a result of our Show.

Show report..most people felt this was our best show to date. Don Tempel's displays (he was in charge of them) were a very nice addition to the Show this year and should be continued. We need to try to make it clearer that the public may park in the Park-&-Ride lot to the West of Kent Commons. Jim and Joan McKeown were reported to have said that our Show was one of the best (if not the best) organized they had been to.

Bob Pratt was not present to give a report on the Christmas Incentive Raffle.

Treasurer, Shirley, reported that our 13th show was in the black for the 13th stright year with enough to get us started for next year.

NEW BUSINESS

A motion was made, seconded and passed that PSPCS sponsor a Camera Sale and show in Yakima Washington on the best August date. (August 8th, Sunday was picked after the meeting). We will provide the same type of funding as last year and the club will receive losses or benefits of the show.

SHOW & TELL, ANNOUNCEMENTS, PROGRAM & DOOR PRIZES

It was reported that the Victoria B.C. Show on the first Sunday in May was a good show with much fun had by all and some treasures found.

Ed Haugagout gave a very interest program on his photographic inventions. (We really do have lots of interesting, knowledgeable photographic type people here in the Great Northwest. Ed.)

Show and Tell delt with our show and some of the "treasures" members found.

Door prizes were won by Ken Glanzer and Bob Pratt..(oh sure Bob can not get there in time to give his report but is in time to win door prize.. nice move Bob. Ed.)

Meeting adjourned at 9:16 pm after a spirited auction where all but one lot was sold.

OOPS: As you sharp eyed PSPCS members may have noticed, (I know John Sparrow did), there is an error at the bottom of the Yakima Show flyer. Below the dotted line on your reservation sign-up it says the Show will be on August 1st. THIS IS NOT THE CASE!! THE SHOW WILL BE ON AUGUST 8th!!! Do not go to Yakima before the weekend of the eighth!! Unless you want to be in a small hot town in the middle of the summer looking for farm work.

Sorry about that!!
